Websites THAT DELIVER...

With intense competition, greater demand for accurate, up-to-date information and intense scrutiny by investors, public companies need to make themselves stand out from their peers.

At Augustus New Media, a division of BARNESMCINERNEY, Canada's most respected IR consultancy, our website solutions and creative methodology resonate with users by telling the story and keeping them informed. We deliver the right information, right when they need it.

Striking
VISUALS.

Intuitive
USABILITY.

Flawless
FUNCTIONALITY.

Targeted
CONTENT.

"We are tremendously satisfied with the end product and very impressed with the process as well. The balance of professionalism and creativeness displayed in your efforts was exceptional."

– Mark Kenedy, CFO, EarthRenew Organics Ltd.

WEBSITE FACTS:

68% of users will not trust a site that does not have a professional appearance.

70% of prospective investors visit the corporate website before finalizing an investment decision.

75% of users judge credibility based on the design of a website.
